- Social networking sites users must be over 13, since I am not 13 yet, I don't have a Facebook account.
- I use the PEGI CODE to make sure this is the appropriate site for my age.
- I don't surf the net long hours.
- I have a switch off hour and that is when I go to bed.
- I try adding many different activities in my life, like cycling, football, dancing and many others, in order to keep fit.
- I don't share my personal data, like my age, telephone, sex and address.
- I never give my passwords.
- I use big passwords with Capital and Small letters, numbers and characters.

. . . . . . . . . . . . .

## SAFERINTERNET

- I don't share, neither send provocative photos of me or others.
- I don't share photos of my friends without their permission.
- I always sign out from apps.
- I set up my profile, so that only my friends can watch my personal data
- Before I use any program, I always check its safety.
- I never open participation messages for any competitions because they might be fraud.
- I never open anonymous messages or messages with attachments, unless I check with the sender.
- I am concerned of my online actions!

- I block persons whose attitude makes me feel uncomfortable.
- I tell my parents or an adult I trust if I accept threats.
- I use the report post, or call the hotline 1480 to report them.

 I don't accept requests from unknown persons and I never meet with them.
