

European Day of Languages
School Year 2025 - 2026
GYMNASIO APOSTOLOU ANDREA EMPAS
Treats, Music and Games

As part of the celebration of the European Day of Languages, our school organised an event during the breaks featuring treats from various countries, music and songs from around the world, as well as an interactive game that allowed students to test their language knowledge in a fun and engaging way.

The European Day of Languages is jointly organised by the Council of Europe and the European Commission and is celebrated every year on September 26. The aim of this day is to highlight multilingualism in Europe and to promote cultural heritage and linguistic diversity.
